OLD ADMINISTRATION

Steps Down and Out and
the New Officers are
Installed.

HARMONY PREVAILED.

The Old Councils Time was Taken
up Allowing Bill Amounting to
\$1,220. Leaving a Balance
\$400 in the Treasury.

When Mayor Edwards took the oath of office which was administered by W. W. Price, one of the best city clerks this town will ever have, he was congratulated and called upon for a speech, but it was late and he declined and immediately proceeded to business. The new city clerk Mr. Hamilton was sworn in and after him the council. Mr. Beal was elected president of the council and Dr. Oyler was elected to fill the vacancy in the 1st ward. Mr. Elston will hold over as his term will not expire until his successor is elected and qualified.

Anadarko should be proud of its first set of officers as every cent of money was accounted for, there was no defalcations, true there were some mistakes all human beings make them. The new administration will make mistakes. Sometimes one mistake ruins a good life. The lamented Altgeld when he pardoned the anarchists of Chicago, made a mistake politically he thought he was doing right. We ought to be charitable for that is divine. But we ought to demand and expect an accounting for every dollar that goes into the treasury. Now all shoulders to the wheel for the up building of our beautiful city.

Joe Conley, proprietor of the brick yards just south of town, dropped into our office this morning and subscribed for the Democrat. He is working 23 hands and is busy day and night. This is one of the solid institutions of the city, and the people appreciate the importance of such an enterprise by giving Mr. Conley his share of the trade.

J. P. Noah of the firm of Noah & Axline, received a telegram last evening announcing the death of his sister Mrs. Woods of Kansas City Mo. She will be buried at Kingfisher, O. T. Mr. Noah took the train for that place immediately. He was accompanied by Mrs. Axline, his sister. They have the sympathy of their many friends here. They will return in a few days.

The Bar Association of Caddo county met at the court house last night with E. W. King in the chair and Theo. Pruett, Sec'y. By-laws were read and adopted and committees appointed. Adjournment was taken until next Saturday night, April 12, 1902. Every lawyer in town should give this organization their hearty support.

Ingrm & Hoffman are exclusive agents for Stiffen's celebrated ice cream. You can only get it at either place. Best made. 165tf

Nearly Completed.

Our 75 ton ice plant is rapidly nearing completion and when in operation, will not only reduce the cost of ice to our citizen but will put in circulation every month, several hundred dollars.

Cities and towns all over the territory are already contracting with the Anadarko plant to supply them with ice. Both Lawton and Hobart will secure all the ice they use from here. It will do much to advertise the Queen City of the Washita.

H. B. Decker, F. E. Decker and A. R. Dick, are registered at Hotel Florence. Mr. Dick is one of the firm of Dick Bros, Quincy, Ill., and owns a large brewery at that place. Decker Bros. are their wholesale agents at Enid, Okla.

Barbarous Crimes.

Mr. Andrew Carnegie has branded the wars now waging by Britain and the United States to enslave peoples who are really independent and desire to remain so as uncivilized crimes. He said: "The killing of men by men under the name of war is the foulest blot upon humanity today. Britain having refused arbitration in its dispute with the Transvaal republic is responsible for the extermination of a brave and heroic Christian people. But let us also remember that we are engaged in shooting down Christian Filipinos, whose only crime is that they believe in the Declaration of Independence. Sad that both branches of the so called highly civilized races should be guilty of the most uncivilized crimes. Let us pray that this disgrace will soon pass away. This greeting from Mr. Carnegie was read at a dinner at the Metropolitan Club New York City Jan. 27.

J. C. Stuart—Mr. William A. Eddy who is experimenting with kites and the speed of birds estimates that the hawk flies sixty-five miles an hour, the wild duck forty-seven and the sea gull under ordinary circumstances twenty-six miles. In August 1897 a carrier pigeon belonging to Peter Follins of Nishawak, Ind., flew from New Orleans, La. to his home loft a distance of 1000 miles in seventy-five hours. This is the American record. The greatest distance ever flown by an American pigeon was from Pensacola, Fla., a distance of 1,182 miles but the time occupied was from July 24 to August 8. It is estimated that a frightened teal duck can fly at the rate of seventy miles an hour.

Could Not Breathe.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucous, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace, J. Q. Hood, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." W. H. Smith & Son, druggists.

Practically Starving.

"After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate, insurance and loan agent, of Nacomb, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief." You don't have to diet. Eat any good food you want, but don't overload the stomach. Kodol Dyspepsia Cure will always digest it for you. W. H. Smith & Son, druggists.
